- 1 Complete Contract Number, Home RM and Date.
  - 2 Complete Contact Information, Home Quarter and Power of Attorney (if applicable)
  - 3 From the drop-down list, SELECT your Crop Insurance office.
  - 4 Forage crops and options that are eligible for Crop Insurance.
  - 5 Crops indicate the coverage options that are available, including 50, 60, 70 and 80 per cent. For certain options, select Add Crop to add to your contract.
  - 6 The price options that are available include Base, Low, In-Season and Variable.
  - 7 Crop Information: Lists special conditions that apply to specific crops. Refer to the Forage section of *Your Complete Guide to Understanding Crop Insurance* or contact your customer service office.
  - 8 TO ADD greenfeed crops, select the desired coverage and price option. Then select the greenfeed crop(s) you want to insure by selecting Add Crop in the corresponding Coverage Option column.
- Note: Greenfeed crops are selected separately and are all insured at the same coverage level and price option. There is a tonnage guarantee for each crop. But for claim purposes, production from all insured greenfeed crops is totaled and offset.
- 9 TO SELECT establishment or insurance on other crops, choose from the available options in the Coverage Option and Price Option, if applicable, columns.

**Please note: Electronically-completed forms cannot be saved. Please print two copies of the completed form and save one for your records. Please mail, fax or drop-off this form to your local Crop Insurance office.**
