Report forage, alfalfa seed, caraway, timothy hay, sweet clover, camelina, fall rye and winter wheat acres seeded last fall. Refer to instructions at www.saskcropinsurance.com for assistance or contact your local office.
 Note: All spring-seeded acres are reported on the Seeded Acreage Report (SAR) sent to you in May.
 Note: All land owned and operated must be listed on the contract of insurance. All land changes (additions, deletions, cultivated or summerfallow eligibility) should be made early to avoid any loss of coverage. All land changes are subject to approval.

- 9** To report fall perennial/biennial acres seeded, list the crop name or code, which can be found in *Your Complete Guide to Understanding Crop Insurance*.
- 10** Indicates the acres seeded into as summerfallow (SMF), stubble (STB) or irrigated (IRR).
- 11** Acres actually seeded, if applicable.
- 12** The date of seeding perennial or biennial crops the previous year as well as fall-seeded crops.
- 13** If adding or deleting land, specify a reason and additional information.
- 14** TO REPORT fall-seeded annual crops or perennial/biennial acres seeded the previous year, write the details in the appropriate columns.
- 15** TO ADD land, list the RM, quarter, section, township, range and meridian. Next, enter the total cultivated acres for that land description and any eligible summerfallow acres that were too wet to seed the previous year.
 - If land was rented, check the box and enter the type and date of agreement.
 - If land was purchased, check the box and enter the name of the previous owner.

- 1** Complete Contract Number, Home RM and Date.
- 2** Complete Contact Information, Home Quarter and Power of Attorney (if applicable)
- 3** From the drop-down list, SELECT your Crop Insurance office.
- 4** The numerical order of your current land as recorded at SCIC. Please leave blank if unknown.
- 5** Rural municipality and legal land description
- 6** Soil class for quarter of land where crop is grown (to be completed by SCIC).
- 7** Total cultivated acres on each legal land description must be accounted for, whether crops are insured or uninsured.
- 8** Acres declared as summerfallow the previous year.

- 16** TO DELETE land, list the RM, quarter, section, township, range and meridian and total cultivated acres. SELECT sold and enter the name of the new operator, if known, in the space provided.

Please note: Electronically-completed files cannot be saved. Please print two copies of the completed form and save one for your records. Please mail, fax or drop-off this form to your local Crop Insurance office.
