Farming operation name:

Section 4 - Program Year Farming Activity (continued)

Crop Production

If you have crop or livestock production share, report only your share of acres and livestock.

(If you require more space, please attach additional sheets)

Inventory Code	Crop Description (ensure the code selected has the most accurate description for your crop)	Number of Acres	Estimated Total Production in Tonnes	Amount of Production (that will be used on farm)	Production Intended for Sale D-E=F	Average Price Received per Tonne
Α	В	С	D	E	F	G
16	Unseedable Acres (too wet or too dry to seed)					
17	Summerfallow Acres (unseeded for summerfallow purposes)					
18	Pasture Acres					
19	Wasteland Acres					
	Total Acres					

The final benefit calculation may be impacted by inventory carried over from a prior year, inventory valuation, sales, accounts payable, accounts receivable, and/or purchased inputs. This could result in an overpayment.
