## CropInsurance

## **Forage Endorsement**

## **INSTRUCTIONAL GUIDE**

- 1 Complete Contract Number, Home RM and Date.
- 2 Complete Contact Information, Home Quarter and Power of Attorney (if applicable).
- 3 From the drop-down list, SELECT your Crop Insurance office.
- 4 Forage crops and options that are eligible for Crop Insurance.

- 5 Crops indicate the coverage options that are available, including 50, 60, 70 and 80 per cent. For certain options, select Add Crop to add to you contract.
- The price options that are available include Base, Low, In-Season and Variable.
- 7 Crop Information: Lists special conditions that apply to specific crops. Refer to the Forage section of Your Complete Guide to Understanding Crop Insurance or contact your customer service office.
- 8 TO ADD greenfeed crops, select the desired coverage and price option. Then select the greenfeed crop(s) you want to insure by selecting Add Crop in the corresponding Coverage Option column.
  - Note: Greenfeed crops are selected separately and are all insured at the same coverage level and price option. There is a tonnage guarantee for each crop. But for claim purposes, production from all insured greenfeed crops is totaled and offset.
- 9 TO SELECT establishment or insurance on other crops, choose from the available options in the Coverage Option and Price Option, if applicable, columns.
