Payment(s) to be deferred? Yes No Deferred Date: XX/XX/XX (max. of one year from claim calculation)
DD/MM/YY

- 8 Legal land description for each parcel of land.
- 9 Indicates tame grazing or native forage acres.
- 10 Number of acres in the pasture.
- 11 Dollar coverage is determined by the soil zone of each pasture type of location (to be completed by SCIC).
- 12 Weather stations must be selected within 100 kilometres of the insured parcel. Weather stations can be found online at scic.ca.
- 13 Weighting option of precipitation from April to July. See chart above (#2).
- 14 Capping per cent of rainfall for claim calculation. See cart above (#2).
- 15 Customer premium per acre (to be completed by SCIC).
- 16 TO ADD coverage, enter RM, legal land description, acres and weather station. SELECT forage type, weighting code and capping percent from the drop-down lists.
- 17 Claims do not have to be filed; they are automatically calculated. TO DEFER your claim, select Yes and write the deferral date.

- 1 Complete Contract Number (if known), Home RM and Date.
- 2 Complete Contact Information, Home Quarter and Power of Attorney (if applicable).
- 3 From the drop-down list, select your Crop Insurance office (if known).
- 4 TO ADD OR DELETE, select Yes or No in the Endorsed column.
- 5 Weighting options are selected to best suit the growing season and management plans. Any precipitation more than the selected cap will not be included in the claim calculation.
- 6 The numerical order of your current land as recorded at SCIC.
- 7 Rural municipality where the land is located.
